

- SAFE AND - HEALTHY START

We are here to support you in your journey to parenthood and recovery.

If you live in Dakota County, are pregnant, and are interested in receiving support for a substance-free pregnancy, our skilled staff are here to help you.

Together we will identify your strengths and reach your goals for your growing family. Our services are always free and voluntary.

We can help you:

- Identify hopes, dreams, and goals for your family.
- Start prenatal care.
- Prepare for labor, delivery, and parenting.
- Find chemical and mental health supports.
- Connect with insurance, benefits and other programs and resources to help you thrive.
- Build your relationship and bond with your baby.

Give your baby a safe and healthy start today!
