A. Purpose of Request

Dakota County, Minnesota seeks to contract for the completion of an interpretive framework, content development, graphic design, and coordination of the fabrication of 1 interpretive panel as well as the content for a companion webpage on the Dakota County website. The content will be built upon the foundation found in the Historic American Engineering Record (HAER) prepared in 2019. The panel content will be focused on the Lake Byllesby Hydroelectric Facility and the function of the original turbines, now on display in Lake Byllesby Regional Park. The contracted firm should meet the professional qualification standards as defined by the *Secretary of the Interior's Professional Qualification Standards*.

B. Background Information

Dakota County Parks

Dakota County Park's department's mission statement is: *To enrich lives by providing high quality recreation and education opportunities in harmony with natural resource preservation and stewardship.* Dakota County fulfills this mission by managing recreation opportunities within its parks and greenways to be in tandem with protecting their natural resources. Interpretive opportunities, as they exist in Dakota County's Parks, are designed to further this mission, and strive to be engaging, relevant, inclusive, and interactive, purposefully utilizing varying media and methods to interpret the cultural and natural resources within its parks and greenways.

Lake Byllesby Regional Park

Lake Byllesby Regional Park is a 620-acre park in southern Dakota County, adjacent to Lake Byllesby, a 1,300-acre reservoir of the Cannon River. The park is divided into two sections, with the eastern section offering recreational opportunities including camping, picnicking, swimming, boating and more. The eastern section also includes the Lake Byllesby Hydroelectric Facility, a hydropower dam built in 1910 to bring electricity to the rural area. It is still in use today and is eligible for listing in the National Register of Historic Places as part of the Lake Byllesby Hydroelectric Facility Historic District.

Hydroelectric Facility Interpretation

In 2017, Dakota County received funding from the state legislature to complete upgrades to the dam powerhouse and replace the turbines. As part of that project, one of the removed turbines was placed on display outside of the dam as an interpretive feature. An interpretive panel, as well as website, will be developed to connect park users to the dam history, and share the story of the turbines and dam more broadly.

State Historic Preservation Office Requirements

As part of the agreement with the Federal Energy Regulatory Commission, and State Historic Preservation Office (SHPO), Dakota County is required to review the draft Public Education components with SHPO, which requires a 30-day review period. Per the guidance of SHPO, the interpretation should “incorporate historic information related to the Historic District, relevant historic context, engineering significance, and the documentation included in the Historic American Engineering Record (HAER).” The turbine exhibit, now in place at Lake Byllesby Regional Park, was reviewed by SHPO on its own timeline.

C. Scope of Services

This proposal seeks a consultant to deliver the interpretive framework, content development, design, and fabrication of 1 interpretive panel, a Dakota County standard large interpretive panel, sized 28” x 36 to be located at the turbine exhibit pictured below. The proposal also seeks the preparation of that content into a companion webpage located on the Dakota County website. The consultant will be required to furnish and/or secure all labor, materials, transportation, tools, supplies, equipment, coordination, approvals, necessary for the successful completion of the plan. Dakota County will consider alternative project approaches recommended by applicants.

The request must include the name, address, and telephone number of the person authorized by the Responder to answer any inquiries by Dakota County concerning the request for confidentiality. Each page upon which trade secret information appears must be marked as containing confidential trade secret information.

In addition to marking the documents as confidential, the Responder must submit one paper and one digital copy of the proposal from which the confidential trade secret information has been excised. The confidential trade secret information must be excised in such a way as to allow the public to determine the general nature of the information removed while retaining as much of the document as possible.

The Responder's failure to request confidential treatment of confidential trade secret information pursuant to this subsection will be deemed by Dakota County as a waiver by the Responder of any confidential treatment of the trade secret information in the bid or proposal.

Requests by the public for the release of information held by Dakota County are subject to the provisions of the Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13. Responders are encouraged to familiarize themselves with these provisions prior to submitting a proposal.

By submitting this bid or proposal, Responder agrees to indemnify and hold the County, its agents and employees, harmless from any claims or causes of action relating to the County's withholding of data based upon reliance on the representations that the information is a trade secret as defined in Minnesota Statutes Section 13.37 and therefore is not public, including the payment of all costs and attorney fees incurred by the County in defending such an action.

NOW, THEREFORE, the parties agree as follows:

1. TERM

This Contract is effective and enforceable on the date the last party executes this Contract or a specific future date ("Effective Date") and expires on SAMPLE or the date on which all Services have been satisfactorily performed and final payment is made, whichever occurs first unless earlier terminated by law or according to the provisions of this Contract.

- 2.5. Ability to Perform. Contractor shall maintain staff, facilities, and equipment necessary to perform under this Contract. Contractor shall promptly provide Notice to the County when it knows or suspects it may be unable to perform under this Contract. The County shall determine whether such inability requires amendment or termination of this Contract. No Notice of Default is required to terminate under this section.
- 2.6. Changes in Policy or Staff. The County may terminate this Contract by providing 10 calendar days' Notice if the Contractor makes or proposes significant changes in policies or staffing.
- 2.7. Successors and Assigns. In the event that the Contractor is subject to a voluntary or involuntary dissolution, merger, sale, transfer, reorganization, acquisition, or winding down of the Contractor's business, to continue Services under the Contract the Contractor must receive written consent from the County permitting the Contractor to assign, bind, benefit, and/or ensure the Contractor's successor, legal representatives, trustees assume all rights, duties, liabilities, obligations, and provisions of the Contract.

3. PAYMENT

- 3.1. Total Cost. County will pay Contractor a total amount not to exceed **SAMPLE** and **SAMPLE** /100 Dollars (**\$SAMPLE**) ("Contract Maximum"). - 3.2. Compensation. The County shall pay for purchased Services in the fixed amounts set out in the Contractor's Proposal.
- 3.3. Time of Payment. The County shall pay Contractor within 35 calendar days after the date on which Contractor's invoice is received. The minimum monthly interest penalty payment for an unpaid balance of \$100 or more is \$10. For unpaid balances of less than \$100, the County shall pay the actual interest penalty due the Contractor.
- 3.5. Late Request for Payments. The County may refuse to pay invoices received or postmarked more than 90 calendar days after the date that the invoiced Services were performed.
- 3.6. Payment for Unauthorized Claims.
- A. Payment does not prevent the County from disputing the claim. Payment of a claim is not a waiver, admission, release, ratification, satisfaction, accord, or account stated by the County.
 - B. The County is not responsible for any interest, fee, or penalty if it withholds payment for failure to comply with any provision of this Contract or during the pendency of an audit or inspection.

4. COMPLIANCE WITH LAWS/STANDARDS

- 4.1. General. Contractor shall abide by all Federal, State or local laws, statutes, ordinances, rules, and regulations now in effect or hereafter adopted pertaining to this Contract or to the facilities, programs, and staff for which Contractor is responsible. This includes, but is not limited to, all Standard Assurances, which are attached and incorporated as **[Exhibit 4]**. Any violation of this section is a material breach of this Contract. No Notice of Default is required to terminate under this section.
- 4.2. Minnesota Law to Govern. The laws of Minnesota govern all matters related to this Contract, without giving effect to the principles of conflict of law. Venue and jurisdiction for any litigation related to this Contract must be in those courts located within Dakota County, State of Minnesota or U.S. District Court, District of Minnesota.
- 4.3. Licenses. At its own expense, Contractor shall procure and maintain all licenses, certifications, registrations, permits, or other rights required to perform the Services under this Contract. Contractor shall furnish copies of the above to the County upon request. Contractor shall provide Notice to the County of any changes in the above within 5 calendar days of the change. Any violation of this section is a material breach of this Contract. No Notice of Default is required to terminate under this section.
- 4.4. Diversity and Inclusion; Prohibited Acts. It is the policy of the County to respect culture and reduce bias in the workplace and service delivery. The County's commitment to inclusion, diversity, and equity requires that the Contractor uphold respectful regard for cultural differences and recognition of individual protected-class status as defined under law.

The Contractor, its managers, officers and employees shall abstain from discrimination, harassment and retaliatory actions in the performance of this Contract. If the County receives a report of non-compliance with this provision, it will share the report with Contractor, conduct an appropriate investigation as warranted by the nature of alleged behavior, and notify Contractor of the findings of the investigation and

any required remedial actions by the Contractor. The Contractor shall inform the County of compliance with any required remedial actions within the time period provided by the County. If the behavior persists, the County may terminate the Contract in accordance with section 12, Termination. The Contractor shall have policies that prohibit retaliation for reporting that is not in compliance with this provision.

Notwithstanding anything to the contrary in this Contract, Contractor must maintain compliance with WCAG 2.1, Level AA throughout the contract term for all system components, contents, and code, including interactive features and third-party integrations. The Contractor must provide an updated Accessibility Conformance Report (ACR) based on the Voluntary Product Accessibility Template (VPAT) 2.4 or later template version upon request of the County or upon major version releases.

Contractor must promptly correct all accessibility defects upon discovery or notice, and no later than 30 days following such discovery or notice, at no additional charge to the County, unless the County approves a different schedule in writing. If Contractor is unable to comply with the required standards for a specific Digital Content, Contractor shall provide alternative solutions for the nonconforming Digital Content upon request, at no additional charge to the County. Failure to remedy an accessibility defect in compliance with this Section constitutes a material breach of the Contract.

5. INDEPENDENT CONTRACTOR STATUS

Contractor is an independent contractor. Nothing in this Contract is intended to create an employer and employee relationship between the County and the Contractor. Contractor is not entitled to receive any of the benefits received by County employees and is not eligible for workers' or unemployment compensation benefits. Contractor also acknowledges and agrees that no withholding or deduction for State or Federal income taxes, FICA, FUTA, or otherwise, will be made from the payments due Contractor, and that it is Contractor's sole obligation to comply with the applicable provisions of all State and Federal tax laws.

6. NOTICES

- 6.1. Each Notice must be signed by the Authorized Representative. Notices may be signed electronically. Unless otherwise stated in a specific section of this Contract, any notice or demand, (collectively, "Notice") must be in writing and provided to the Authorized Representative by at least one of the following:
- A. Personal delivery, which is deemed to have been provided upon receipt as indicated by the date on the signed affidavit; or
 - B. Registered or Certified Mail, in each case, return receipt requested and postage prepaid, which is deemed to have been provided upon receipt as indicated by the date on the signed receipt, certification, or affidavit; or

6.2. If the Authorized Representative rejects or otherwise refuses to accept the Notice, or if the Notice cannot be provided because of a change in contact information for which no Notice was provided, then the Notice is effective upon rejection, refusal, or inability to deliver.

7. INDEMNIFICATION

7.1. General. To the greatest extent allowed by law, in the performance of or failure to perform this Contract, Contractor shall indemnify, defend (in the case of third-party claims, with counsel satisfactory to County), and hold harmless the County, its officers, agents, and employees, from and against any actual or alleged loss, litigation cost (including, but not limited to, reasonable attorney fees and costs and expenses of defense), costs, settlement, judgment, demands, damage, liability, lien, debt, injury, harm, fees, fines, penalties, interest, expenditure, diminution in value, disbursement, action, claim, proceeding, or dispute of any sort (collectively "Losses"), whether or not involving a third party, which are attributable to Contractor's, or Contractor's agents', independent contractors', employees', or delegates', actual or alleged:

A. Intentional, willful, or negligent acts or omissions; or

B. Actions or omissions that give rise to strict liability; or

C. Negligent or intentional misrepresentation, breach of warranty, covenant, contract, or subcontract

whether or not well-founded in fact or in law, known or unknown, foreseen or unforeseen, fixed or contingent and howsoever originating or existing, and whether or not based upon statute, common law, or equity. This indemnity provision survives expiration or termination of this Contract.

The Contractor's duty to defend the County is not contingent upon a finding of liability or wrongdoing on the part of the Contractor. Rather, the Contractor's duty to defend the County arises whenever an allegation is made—whether in a formal lawsuit or otherwise—that the County is liable to a third party as a result of the conduct of the Contractor. The duty to defend includes, but is not limited to, the Contractor retaining and paying directly legal counsel for the County chosen solely and exclusively by the County in the County's sole discretion.

7.2. Limitations. The indemnification, defense, and hold harmless obligations of this section do not apply to the extent that liability is the direct or proximate result of the negligence or fault of the County or any third party for whom the Contractor is not legally liable. This limitation is not a waiver on the part of the County of any immunity or limits on liability under Minn. Stat. Ch. 466, or other applicable State or Federal law.

7.3. Notice. The parties shall promptly provide Notice in writing and in reasonable detail of:

A. Any demand, action, suit, or proceeding against the party providing Notice; or

B. Any event or fact that may give rise to indemnification under section 7.1 by Contractor.

7.4. Control of Defense and Settlement. Contractor shall promptly provide Notice to the County of any proposed settlement, and Contractor may not, without County's prior written consent (which the County will not unreasonably withhold, condition, or delay), settle such claim or consent to entry of any third-party judgment. Nothing in this section precludes Contractor from allowing County to undertake control of the defense.

8. INSURANCE

Contractor shall maintain policies of insurance as set forth in [Exhibit 3], and pay all retentions and deductibles under such policies of insurance. Any violation of this section is a material breach of this Contract. This section survives expiration or termination of this Contract. No Notice of Default is required to terminate under this section.

9. SUBCONTRACTING

- 9.1. Subcontracting Generally Prohibited. Contractor shall not assign or delegate any interest, right, duty, or obligation related to this Contract without the County's prior written consent. The County may void any purported assignment, delegation, or subcontract in violation of this section.
- 9.2. Permitted Subcontracting. Contractor may subcontract with the subcontractors identified in Contractor's Proposal or as permitted by the County in writing, subject to the following:
- A. Contractor shall be responsible for the performance of its subcontractors.
 - B. All subcontractors shall comply with the provisions of this Contract.
 - C. Contractor remains responsible for performing Services under and complying with this Contract, regardless of any subcontract.
- 9.3. Notice to County. Contractor shall provide Notice to the County of any complaint, demand, action, proceeding, filing, lien, suit, or claim that Contractor has not paid or failed to timely pay any subcontractor. Notice must be provided no later than 10 calendar days after the date on which the Contractor first receives the complaint, demand, action, proceeding, filing, lien, suit, or claim.
- 9.4. Payment of Subcontractors. This provision is required by Minn. Stat. § 471.425. Contractor shall pay the subcontractor within 10 calendar days after the date on which the Contractor receives payment from the County for undisputed Services performed by the subcontractor. Contractor agrees to pay interest of 1½ percent per month or any part of a month to the subcontractor on any undisputed amount not paid on time to the subcontractor. The minimum monthly interest penalty payment for an unpaid balance of \$100 or more is \$10. For unpaid balances of less than \$100, the Contractor shall pay the actual interest penalty due the subcontractor.
- 9.5. A violation of any part of this section is a material breach of contract.

10. FORCE MAJEURE

Neither party shall be liable to the other party for any loss or damage resulting from a delay or failure to perform due to unforeseeable acts or events outside the defaulting party's reasonable control, providing the defaulting party gives notice to the other party as soon as possible. Acts and events may include acts of God, acts of terrorism, war, fire, flood, epidemic, acts of civil or military authority, and natural disasters.

11. DEFAULT

- 11.1. Notice of Default. Unless otherwise stated in a specific section of this Contract, no event or circumstance constitutes a default giving rise to the right to terminate for cause unless and until a Notice of Default is provided to the defaulting party, specifying the particular event or circumstance, series of events or circumstances, or failure constituting the default and cure period, if any.
- 11.2. Cure Period. The party providing the Notice of Default has the option, but is not required, to give the other party an opportunity to cure the specified default. If an opportunity to cure is given, it must be specifically described in the Notice of Default, including any period in which to comply.
- 11.3. Withholding Payment. Notwithstanding any other provision of this Contract, the County may, after giving Notice of Default, withhold, without penalty or interest, any payment which becomes due after Notice of Default is provided until the specified default is excused or cured, or the Contract is terminated.

12. TERMINATION

- 12.1. Termination Without Cause. Either party may terminate this Contract without cause by providing 30 calendar days' Notice of Termination to the other party.
- 12.2. Termination for Cause or Material Breach. Either party may terminate this Contract for cause by providing 7 calendar days' Notice of Termination to the other party, unless a different procedure or effective date is stated within the specific section of this Contract under which the default occurs. In addition to other specifically stated provisions of this Contract or as otherwise stated in law, events or circumstances constituting default and giving rise to the right to terminate for cause, unless waived, include but are not limited to:
- A. Making material misrepresentations either in the attached exhibits or in any other material provision or condition relied upon in the making of this Contract;
 - B. Failure to perform Services or provide payment within the time specified in this Contract;
 - C. Failure to perform any other material provision of this Contract;
 - D. Failure to diligently and timely perform Services so as to endanger performance of the provisions of this Contract;
 - E. The voluntary or involuntary dissolution, insolvency, merger, sale, transfer, reorganization, acquisition or winding down of the Contractor's business.
- 12.3. Termination by County – Lack of Funding. The County may immediately terminate this Contract for lack of funding. A lack of funding occurs when funds appropriated for this Contract as of the Effective Date from a non-County source are unavailable or are not appropriated by the County Board. The County has sole discretion to determine if there is a lack of funding. The County is not obligated to pay for any Services that are performed after providing Notice of Termination for lack of funding. The County is not subject to any penalty or damages for termination due to lack of funding. No Notice of Default is required to terminate under this section.
- 12.4. Notice of Termination. The Notice of Termination must state the intent to terminate the Contract and specify the events or circumstances and relevant Contract provision warranting termination of the Contract and whether the termination is for cause.
- 12.5. Duties of Contractor upon Termination. Upon the County providing of the Notice of Termination, and except as otherwise stated, Contractor shall:

 - E. Return all County property in its possession within 7 calendar days after the date on which the Contractor receives the Notice of Termination to the extent that it relates to the performance of this Contract that is discontinued by the Notice of Termination.
 - F. Submit an invoice for Services satisfactorily performed prior to the effective date of termination within 35 calendar days of said date.

G. Maintain all records relating to the performance of the Contract as may be directed by the County in the Notice of Termination or required by law or this Contract.

12.6. Duties of County upon Termination of the Contract for Cause or Without Cause. Upon delivery of the Notice of Termination, and except as otherwise provided, the County shall make final payment to Contractor in accordance with section 3.3 of this Contract for Services satisfactorily performed.

12.7. Effect of Termination for Cause or without Cause.

A. Termination of this Contract does not discharge any liability, responsibility, or right of any party that arises from the performance of, or failure to adequately, perform the provisions of this Contract prior to the effective date of termination. Termination shall not discharge any obligation which, by its nature, would survive after the date of termination, including by way of illustration only and not limitation, the requirements set forth in [Exhibit 4] (Standard Assurances) and the indemnity provisions of section 7.

B. The County shall not be liable for any Services performed after Notice of Termination, except as stated above or as authorized by the County in writing.

13. CONTRACT RIGHTS AND REMEDIES

13.1. Rights Cumulative. All remedies under this Contract or by law are cumulative and may be exercised concurrently or separately. The exercise of any one remedy does not preclude exercise of any other remedies.

13.2. Waiver. Any waiver is only valid when reduced to writing, specifically identified as a waiver, and signed by the waiving party's Authorized Representative. A waiver is not an amendment to the Contract. The County's failure to enforce any provision of this Contract does not waive the provision or the County's right to enforce it.
