**McAndrews Road (County Road 38)
Lane Reconfiguration**

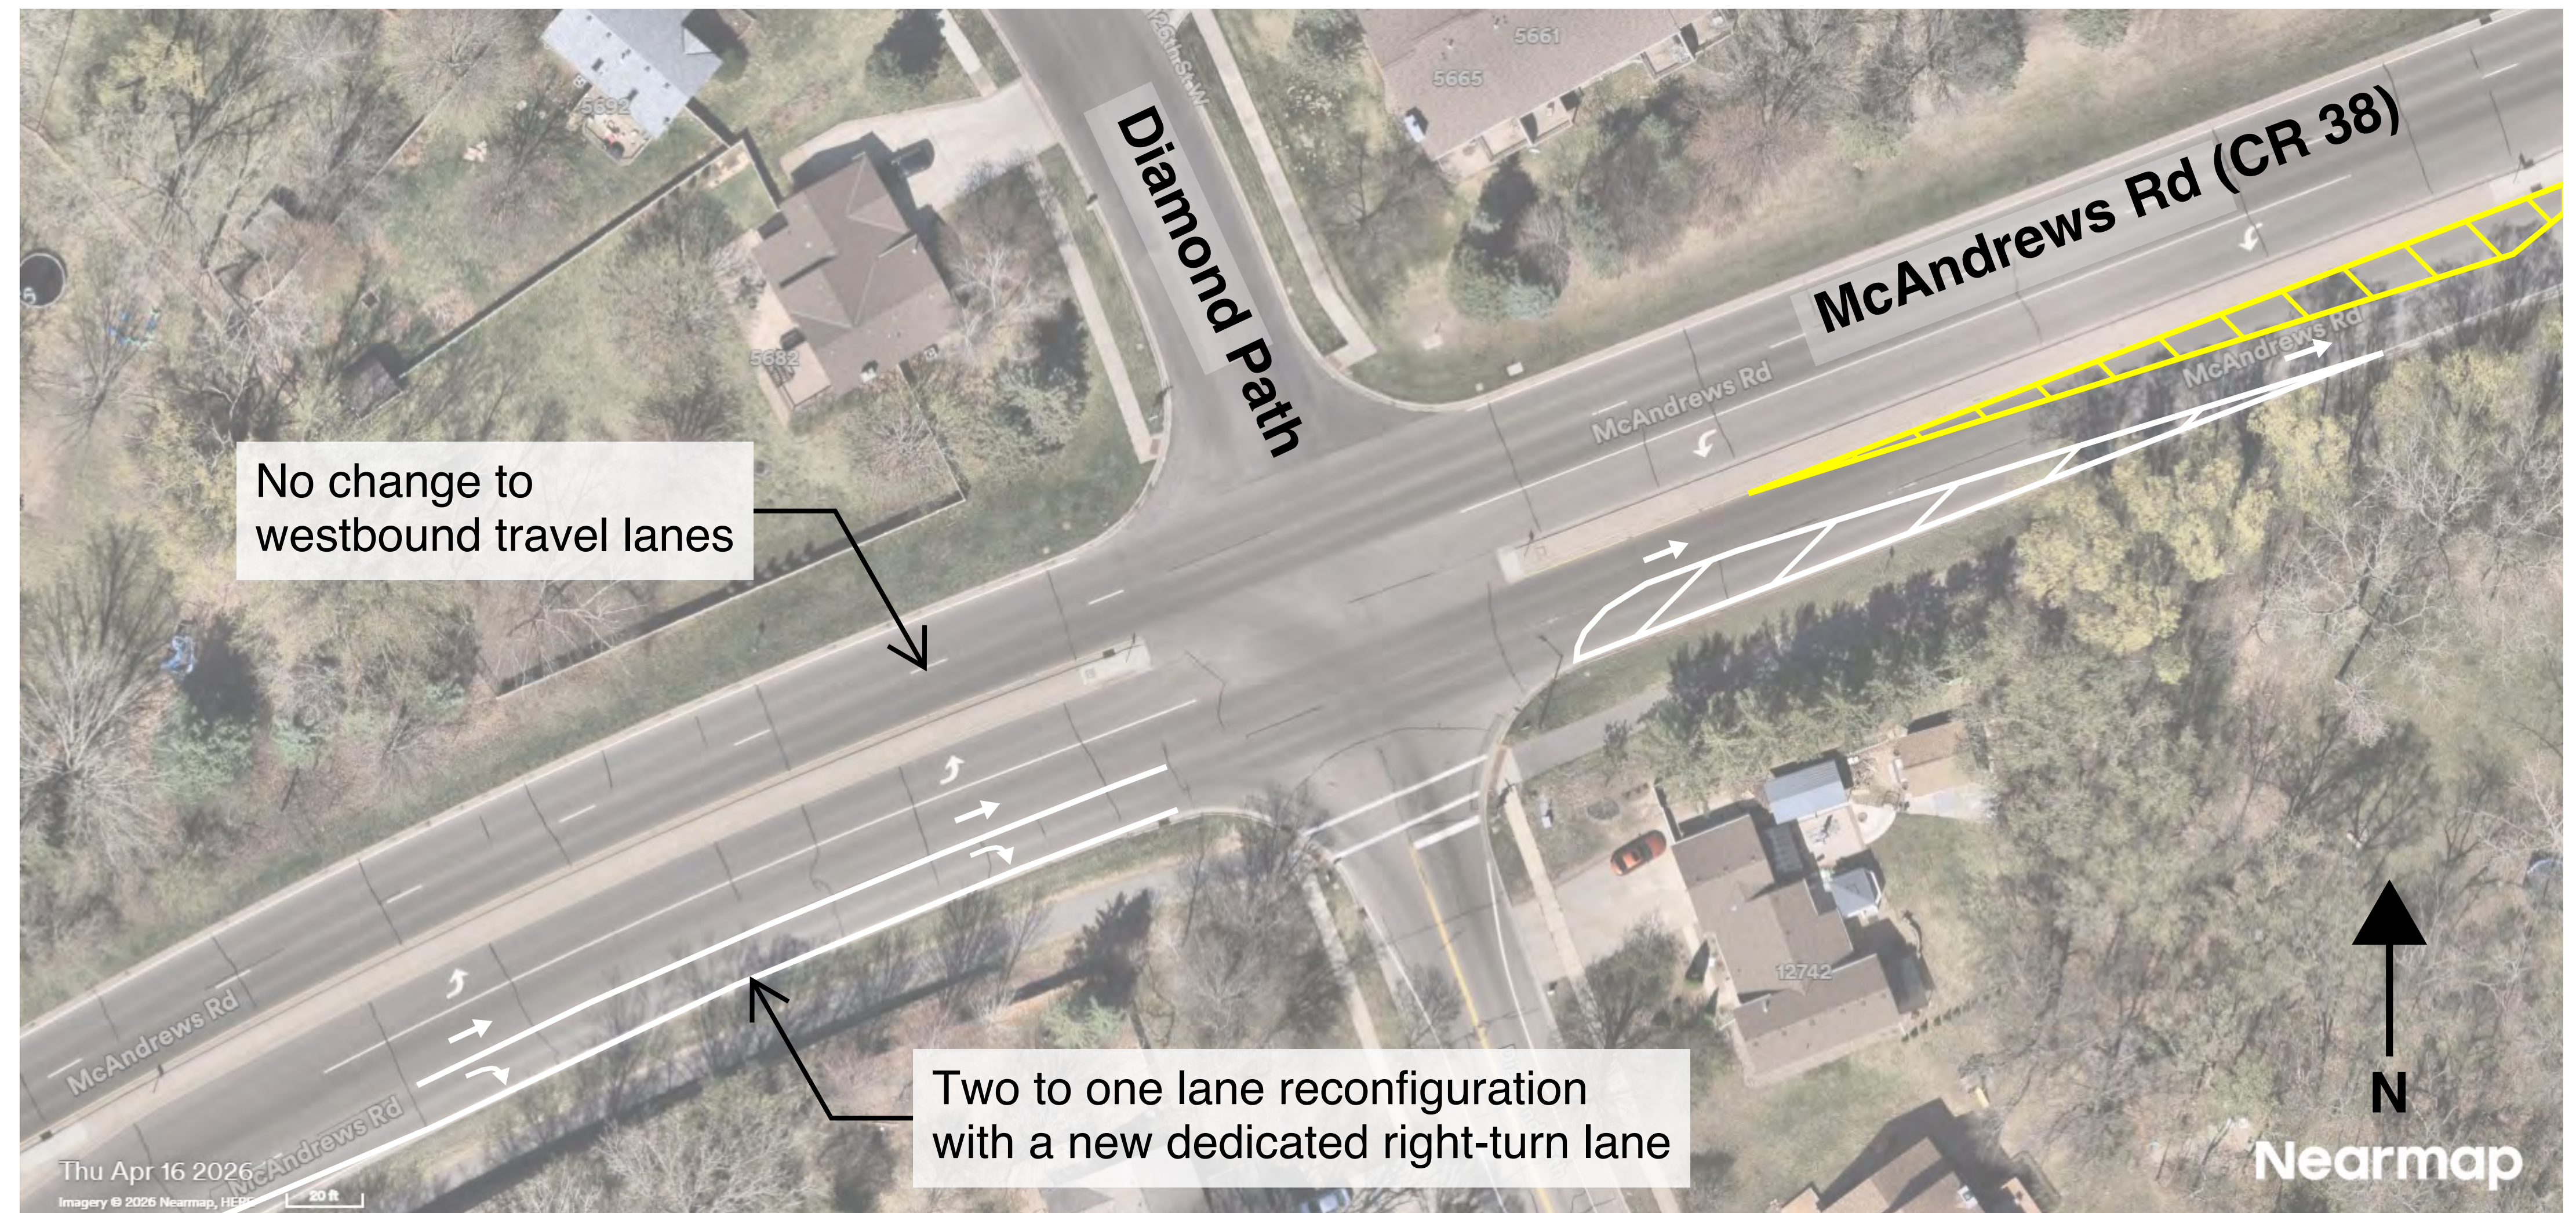

Thursday, October 1, 2026

5:30–7:30 p.m.

Project Purpose

Dakota County and the City of Apple Valley are reconfiguring lane design for about 1 mile along McAndrews Road (County Road 38). The project is from Johnny Cake Ridge Road to Pilot Knob Road (County Road 31). The proposed restriping is a low-cost, high-benefit project.

Project Location

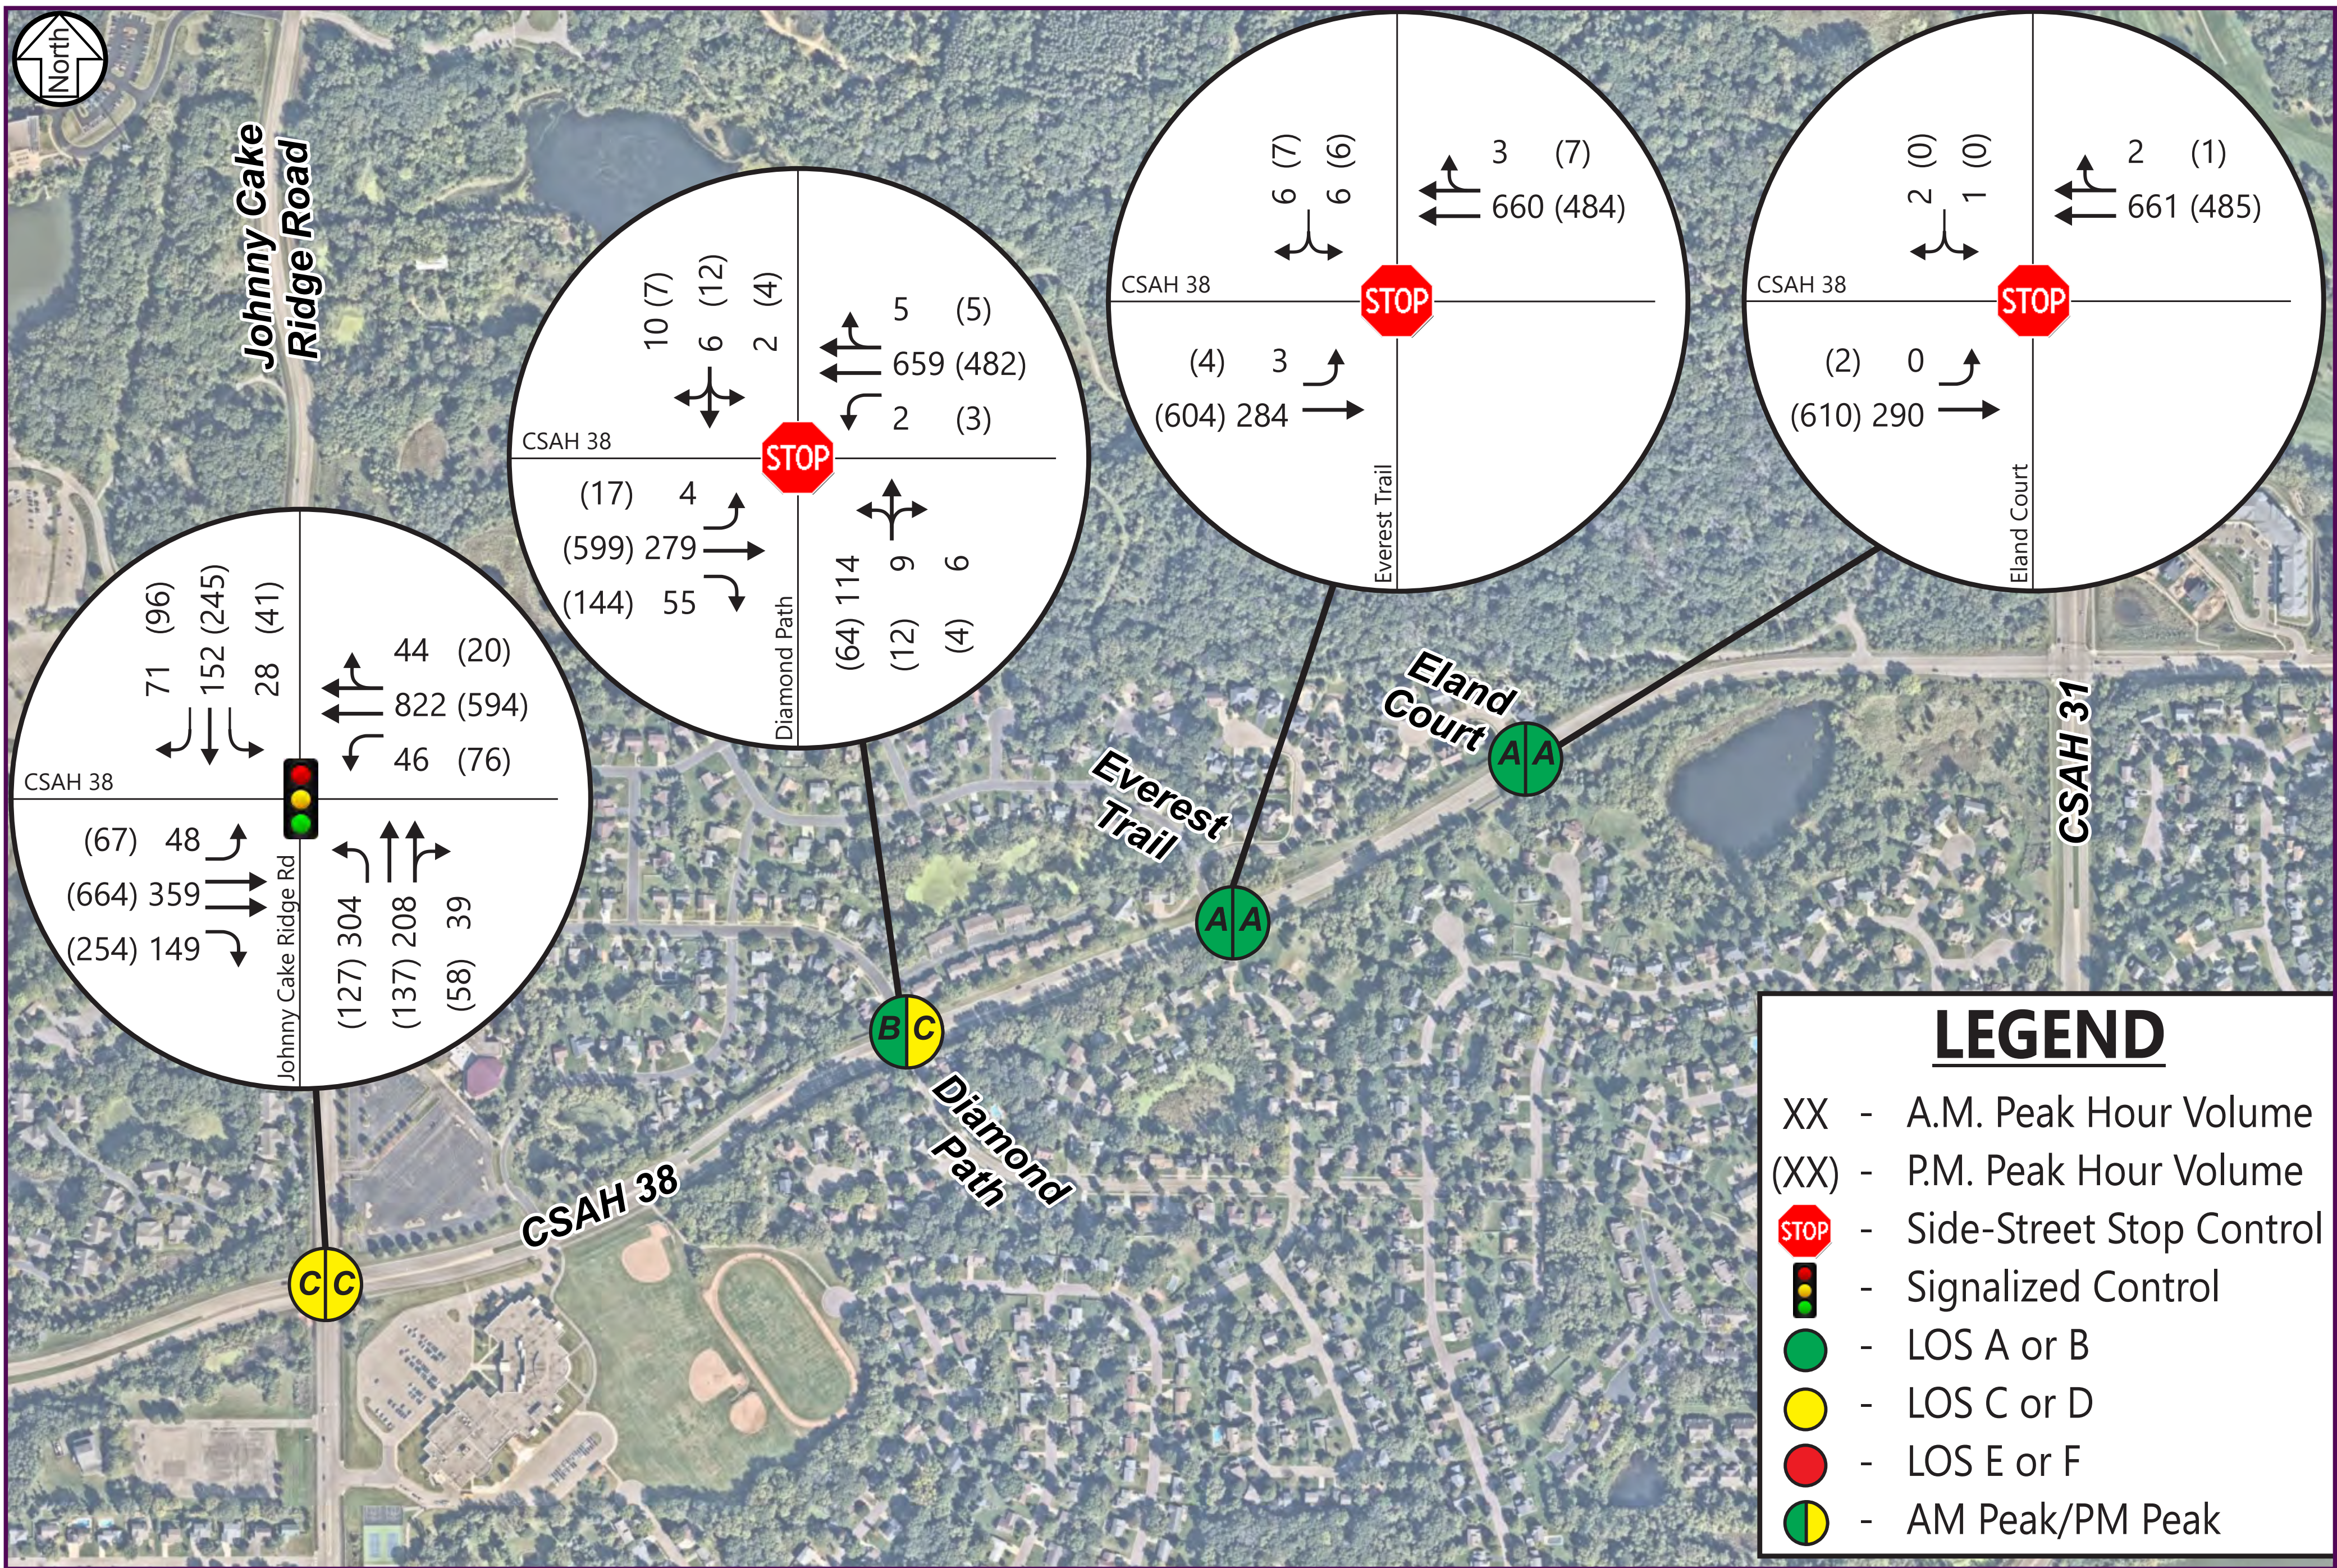

Project benefits

- Reconfigures eastbound travel from two to one lane
- Creates new, dedicated right-turn lane at Diamond Path
- Creates left-turn lanes at Everest Trail and Eland Court

Project timeline

- Resident feedback
 - Aug. 31–Nov. 1, 2026
- Community Open House
 - Oct. 1, 2026
- Restriping (Tentative)
 - Late 2026 or Early Spring

Traffic Operations

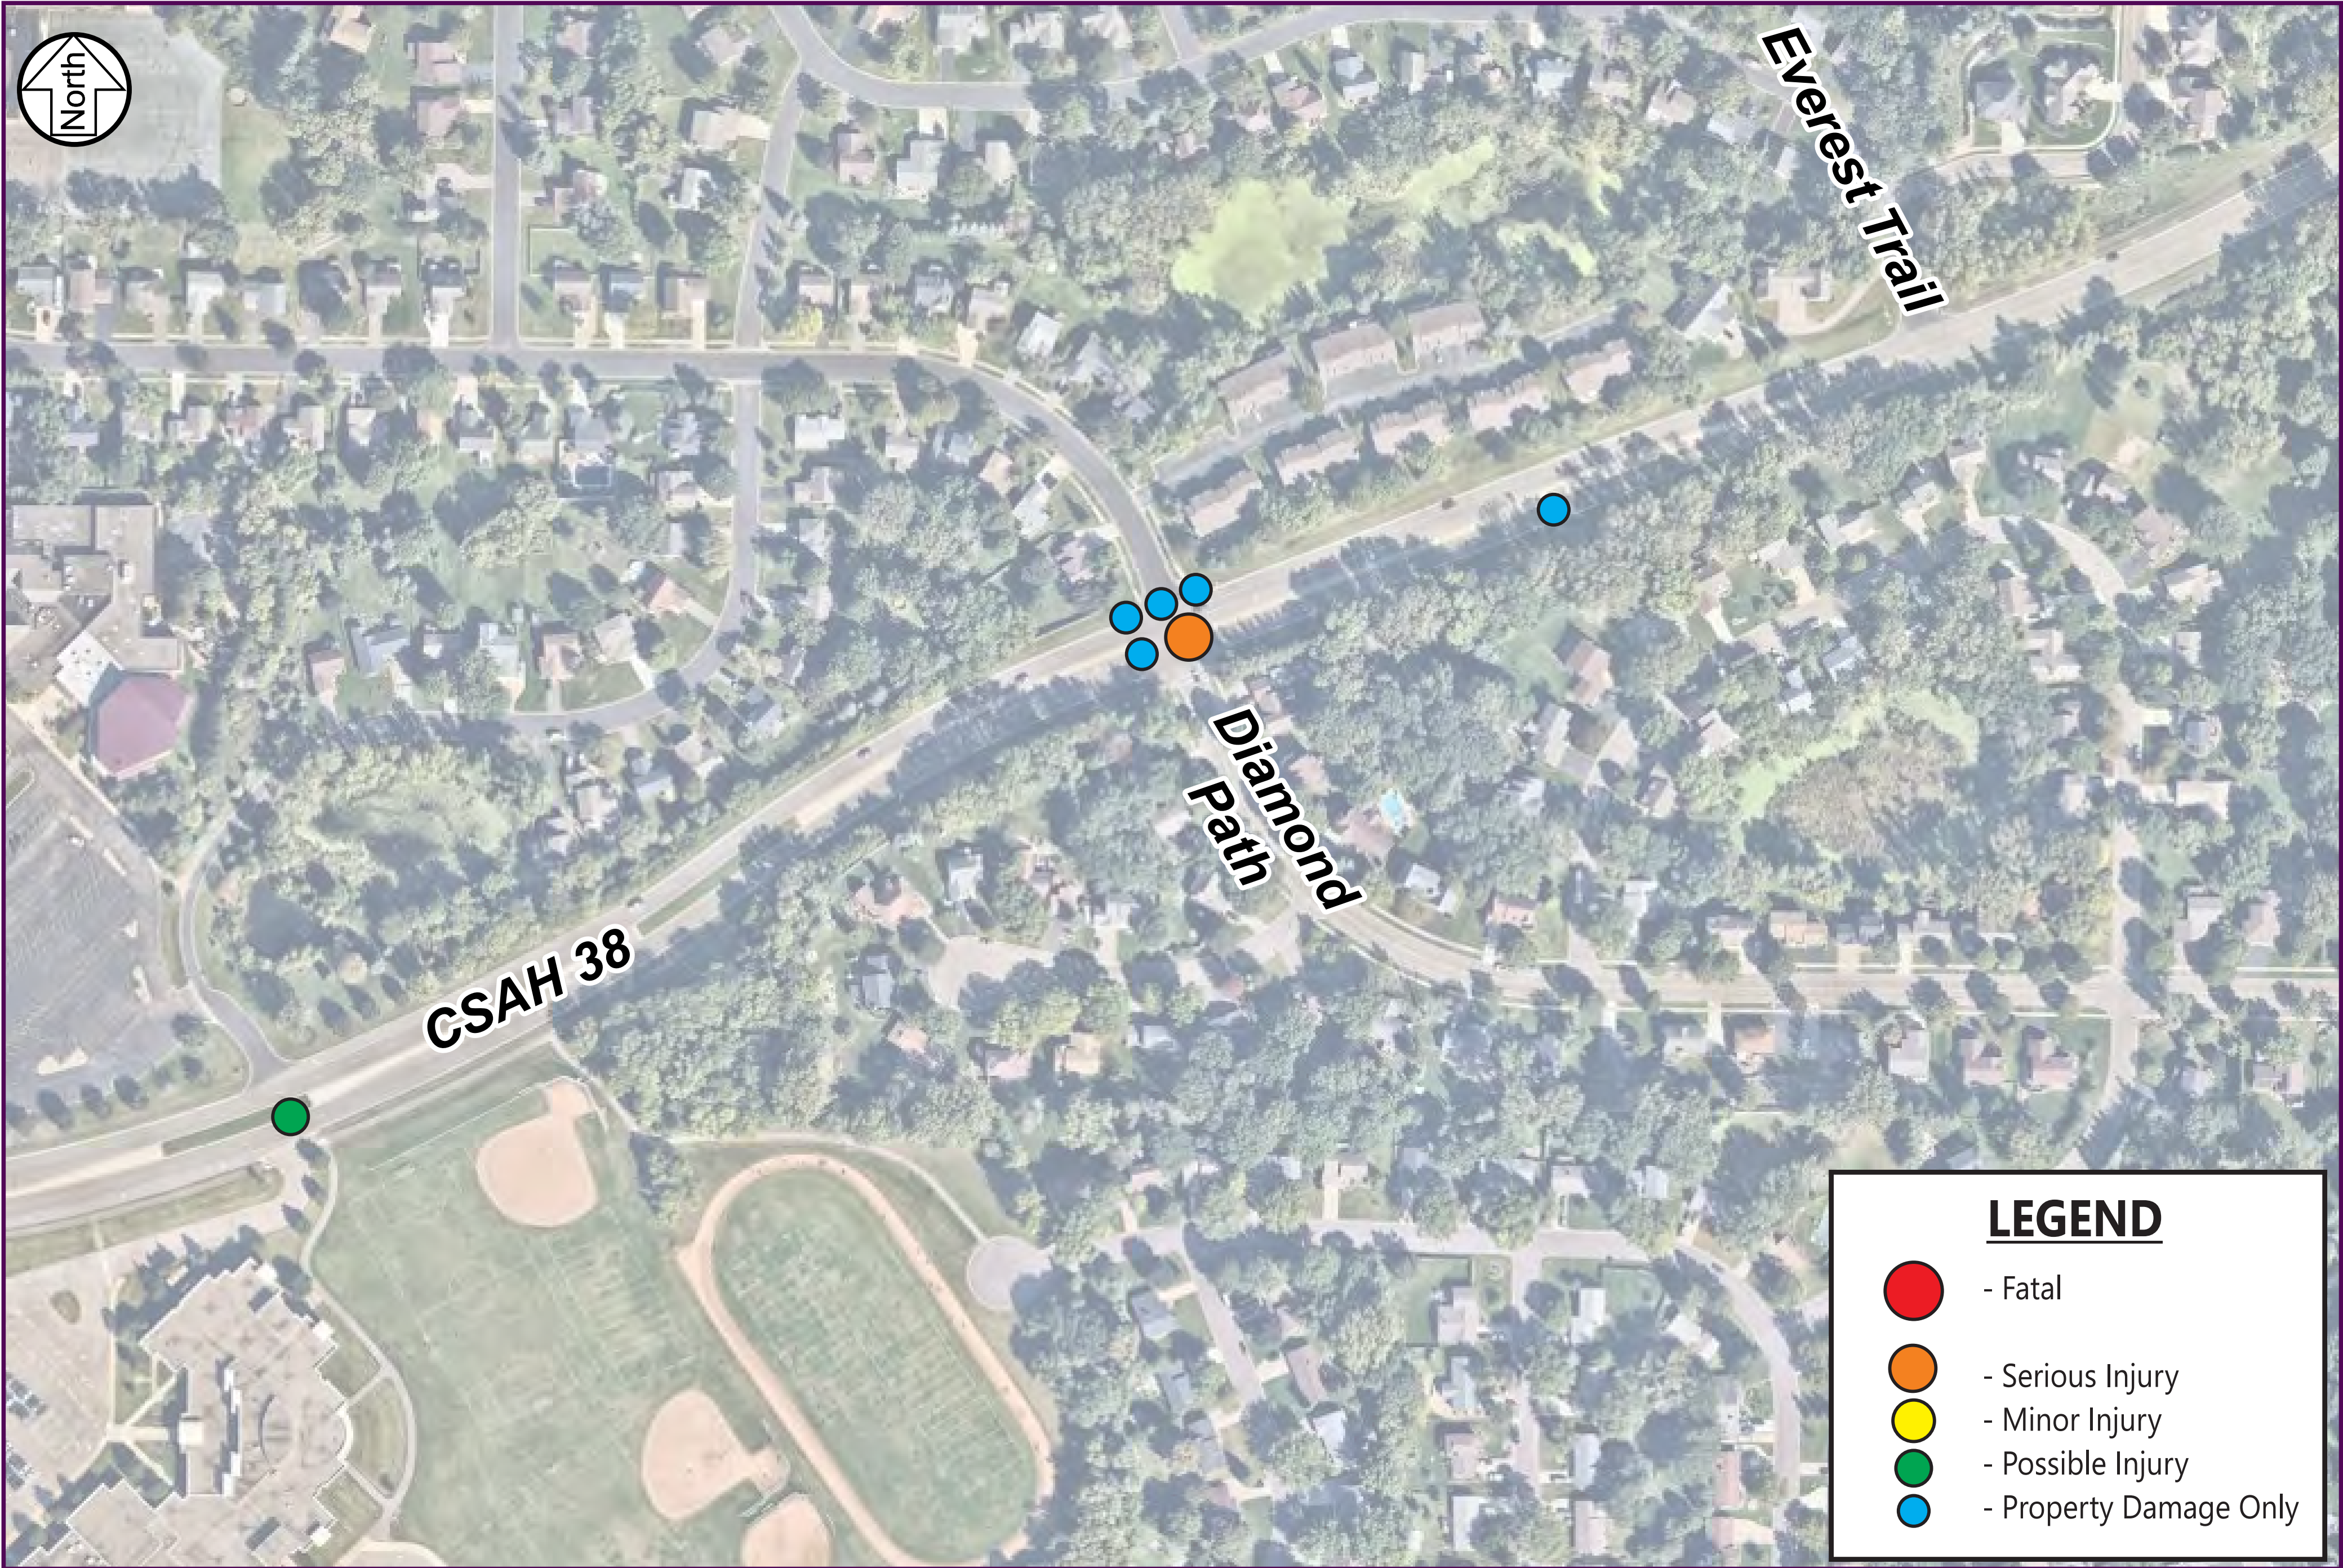

Data collection dates

- Johnny Cake Ridge Road - 10/1/2025
- Diamond Path - 4/10/2025
- Everest Trail - 3/11/2026
- Eland Court - 3/11/2026

Operations with Lane Change

- All intersections operate at an acceptable level of service with no discernable difference from current delays
- Northbound Diamond Path Delay
 - AM Peak - 11 seconds/vehicle
 - PM Peak - 15 seconds/vehicle

Crash Data

Location on County Road 38	Fatal	Serious Injury	Minor Injury	Possible Injury	Property Damage Only	Total Crashes
Between Johnny Cake Ridge Road and Diamond Path	0	0	0	1	0	1
Diamond Path Intersection	0	1	0	0	4	5
Between Diamond Path and Eland Court	0	0	0	0	1	1

Data provided by Minnesota Department of Public Safety (Jan 01, 2023 - Dec. 31, 2025)

Crash Types

- 3 Angle
- 1 Rear End
- 1 Run off Road

Contributing Factors

- 2 angle crashes occurred with northbound vehicles from Diamond Path
- Run off Road was due to ice
